ARTICLE III

ASSOCIATION MEMBERSHIP

The record owner of equitable title (or legal title if equitable title has merged) of any parcel or parcels of real property located in the SUNBURST FARMS development shall automatically become a member of the Association, and shall remain a member of the Association until such time as his ownership ceases for any reason, at which time his membership in said Association shall automatically cease. Ownership of a parcel shall be the sole qualification and criteria for membership. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation.

A membership in the Association shall not be transferred, pledged or alienated in any way. Upon the sale, or other transfer of a parcel, the owner's membership in the Association shall automatically be cancelled and new membership certificates shall be issued to subsequent owners pursuant to the Articles and By-Laws of the Association. Any attempt to make a prohibited transfer is void and will not be reflected upon the books and records of the Association.

The record owner of equitable title (or legal title if equitable title has merged) of each unit shall be entitled to own membership in the Association, for himself and his family residing in the unit, which membership, shall be subject to all of the provisions of the Association's Articles of Incorporation, By-Laws, Resolutions, and these Restrictions, as now in effect or duly adopted and amended.

Membership in this Association is for the purpose of supplying irrigation water and agricultural tillage service to its members at the most economical rates. Membership further is for the purpose of each member maintaining his property in such a manner as to not depreciate the value of the overall project. Therefore, each member agrees to be bound by the Articles and By-laws of the corporation and acknowledges that the Board of Directors may fix such rates for the delivery of irrigation water and such rates for the tillage of the project lands as to properly maintain this service. In the event an member fails or refuses to maintain his property used in conjunction with the transportation and delivery of irrigation water, to the standard as required by the Board of Directors of this Association, then the Board may have the absolute right to improve the member's property used in conjunction with the transportation and delivery of irrigation water, in such a way as to maintain the Association's standards. The cost of such improvements shall be charged on the regular rates against such member.

No member may exempt himself from liability or charges fixed by the Board of Directors for the delivery of irrigation water or for charges for the tillage of the project lands or for other charges in connection therewith which the Board of Directors may fix by his waiver of the use or enjoyment of irrigation or other service or services provided by the Association or by the member's abandonment of his unit.

Each member further agrees that the above-mentioned charges, if not paid within the time fixed for payment by the Board of Directors, shall be delinquent and shall become a lien upon said member's lot and shall continue to be such lien until fully paid. Said charges shall bear interest from the date of delinquency at the rate of five per cent (5%) per annum. The lien referred to in this Article III shall be subordinate to the lien of any first mortgagee. The amount of principal and interest owed by each member to the Association shall be a debt, and shall be collectible by any lawful procedure allowed by the laws of the State of Arizona.

Each member, by his acceptance of a deed to a lot, or by his lease of a lot, hereby expressly vests in the Association or its agents, the right and power to bring all actions against

such member for the collection of such charges and to enforce the aforesaid lien by all methods available for the enforcement of such liens and such member hereby expressly grants to the Association the power of sale in connection with said lien.

In the event the Association employs an attorney or attorneys to enforce said lien or the collection of any amounts due pursuant to this article the member, members, and parties against whom the action is brought shall pay all attorneys' fees and costs thereby incurred by the Association in the event the Association prevails in any such action.

ARTICLE IV

Deeds of conveyance for said property, or any portion thereof, may contain the above covenants, conditions, stipulations and restrictions by reference to this document, but whether or not such reference is made in such deed, each and all of these covenants, conditions, stipulations and restrictions shall be binding upon the respective grantees.

Section 2. Notwithstanding any provisions herein contained to the contrary, it shall be expressly permissible for the major builder and developer of the "premises" to maintain during the period of construction and sale of said "premises", upon such portion of the premises as such builder may choose, such facilities as in the sole opinion of said builder may be reasonably required, convenient or incidental to the construction and sale of said premises, including, but without limitation, a business office, storage area, construction yards, signs, model units and sales office.

Section 3. The foregoing restrictions and covenants run with the land and shall be binding upon all parties and all persons claiming under them until January 1, 1998, unless otherwise amended or revoked by vote of a majority of the then owners of lots in SUNBURST FARMS ELEVEN. Subsequent to January 1, 1998, these covenants and restrictions then in effect shall automatically be extended for successive periods of ten (10) years each, unless by vote of the majority of the then owners of lots in SUNBURST FARMS ELEVEN it is agreed to change the said covenants and restrictions in whole or in part.

Section 2. Notwithstanding any provisions herein contained to the contrary, it shall be expressly permissible for the major builder and developer of the "properties" to maintain during the period of construction and sale of said "premises", upon such portion of the premises as such builder may choose, such facilities as in the sole opinion of said builder may be reasonably required, convenient or incidental to the construction and sale of said premises, including, but without limitation, a business office, storage area, construction yards, signs, model units and sales office.
