Ownership of a parcel shall be the sole qualification and criteria for membership. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation.

A membership in the Association shall not be transferred, pledged or alienated in any way. Upon the sale, or other transfer of a parcel, the owner's membership in the Association shall automatically be cancelled and new membership certificates shall be issued to subsequent owners pursuant to the Articles and Bylaws of the Association. Any attempt to make a prohibited transfer is void and will not be reflected upon the books and records of the Association.

In the event any member fails or refuses to maintain his property used in conjunction with the transportation and delivery of irrigation water, to the standard as required by the Board of Directors of this Association, then the Board may have the absolute right to improve the member's property used in conjunction with the transportation and delivery of irrigation water, in such a way as to maintain the Association's standards. The cost of such improvements shall be charged on the regular rates against such member.

No member may exempt himself from liability or charges fixed by the Board of Directors for the delivery of irrigation water or for charges for the tillage of the project lands or for other charges in connection therewith which the Board of Directors may fix by his waiver of the use or enjoyment of irrigation or other service or services provided by the Association or by the member's abandonment of his unit.

Each member further agrees that the above-mentioned charges, if not paid within the time fixed for payment by the Board of Directors, shall be delinquent and shall become a lien upon said member's lot and shall continue to be such lien until fully paid. Said charges shall bear interest from the date of delinquency at the rate of five percent (5%) per annum. The lien referred to in this Article III shall be subordinate to the lien of any first mortgagee. The amount of principal and interest owed by each member to the Association shall be a debt, and shall be collectible by any lawful procedure allowed by the laws of the State of Arizona.

Each member, by his acceptance of a deed to a lot, or by his lease of a lot, hereby expressly vests in the Association or its agents, the right and power to bring all actions against such member for the collection of such charges and to enforce the aforesaid lien by all methods available for the enforcement of such liens and such member hereby expressly grants to the Association the power of sale in connection with said lien.

In the event the Association employs an attorney or attorneys to enforce said lien or the collection of any amounts due pursuant to this Article, the member, members, and parties against whom the action is brought shall pay all attorneys' fees and costs thereby incurred by the Association in the event the Association prevails in any such action.
