Section 2. No building except one single family residence, a private garage or carport, and a structure to serve as a stable, livestock shelter, and/or tack room, shall be erected, maintained, placed or permitted on any residential lot or portion of said residential lots in SUNBURST FARMS SEVEN. Such stable, livestock shelter, and/or tack room shall be of a design harmonious with the other structure or structures upon said lot, and no use of used or inferior materials shall be permitted. Any quarters for servants or guests must be in an integral part of said residence.

Section 3. No garage or stable and tack room shall be used for residential purposes.

Section 4. No dwelling house having a ground floor area of less than eleven hundred (1,100) square feet, exclusive of open porches, pergolas, or attached garage, if any, shall be erected, permitted or maintained on any of said residential lots in SUNBURST FARMS SEVEN.

Within all these easements, no structure, planting or other materials shall be placed or permitted to remain which may interfere with the purpose for which these easements have been reserved.

Section 9. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

Section 10. Prior to January 1, 1973, no lot may be divided into smaller parcels apart from original conveyance of deed from subdivider. Thereafter there shall be no re-subdivision of any lot or portion of lot within this subdivision, regardless of the number of parcels into which it may be re-subdivided, without prior approval of FHA and other required agencies. Such approval shall be evidenced by the recordation of a subdivision plat setting forth such re-subdivision with the County Recorder, Maricopa County, Arizona. No division of any lot shall result in a parcel containing less than thirty-five thousand (35,000) square feet net area.

Section 11. Upon recordation of said approved subdivision plat, referred to in Paragraph 10 above, Paragraphs 1 through 7, and 9 of the foregoing Declaration of Restrictions shall have

no further force and effect as to those lots which are re-subdivided in accordance with the provisions of Paragraph 10 herein contained, and shall henceforth be governed by the covenants and conditions hereinafter set forth in Paragraphs A through I of Article II, and all of Articles I, III, and IV.

A. The lots subject to these restrictions shall be known and described as single-family residential lots.

B. No building, except one single-family residence and a private garage or carport for not more than two (2) cars shall be erected, maintained, placed, or permitted on any residential lot or portion of a residential lot in a re-subdivision of SUNBURST FARMS SEVEN.

C. No garage or any other building whatsoever shall be erected on any residential building lot until a dwelling house shall have been erected or until a contract with a reliable and responsible contractor shall have been entered into for the construction of a dwelling which shall comply with the restrictions herein permitted on any such premises. No garage or other out building shall be used for residential purposes.

D. No dwelling house having a ground floor area of less than nine hundred (900) square feet, exclusive of open porches, pergolas or attached garage, if any, shall be erected, permitted or maintained on any of the residential lots in a re-subdivision of SUNBURST FARMS SEVEN.

E. No building shall be erected on any residential lots in a re-subdivision of SUNBURST FARMS SEVEN the front walls of which are closer than twenty (20) feet to the front property line, except that a front porch, an attached garage or carport may project into the front yard not more than five (5) feet; nor shall the side walls of any such building be nearer than five (5) feet to one side property line, nor nearer than nine (9) feet to the other side property line, as may be decided by the builder provided further that this restriction shall not apply to any garage erected on the rear one-third (1/3) of any of said lots.

F. No solid wall or fence over three (3) feet in height shall be maintained or erected nearer to the front street line of any of the residential lots in a re-subdivision of SUNBURST FARMS SEVEN than the front walls of the building erected on such lot; and in case of a lot on which no residence has been erected, no solid wall or fence over three (3) feet high shall be constructed or maintained closer than twenty (20) feet to the front line of such lot. G. None of said lots, nor any portion thereof, shall ever be used for commercial animal husbandry, nor shall any horses, poultry, and/or livestock be maintained on any of said lots containing an area of less than one acre, it being the intent herein that horses, poultry, and/or livestock may be maintained only on lots containing an area of one acre or more.

H. Easements for installation and maintenance of utilities, irrigation, and drainage facilities are reserved as shown on the recorded plat, and in Section 8 of the restrictions of SUNBURST FARMS SEVEN. Within these easements no structure, planting or other materials shall be placed or permitted to remain which may interfere with the installation and maintenance of utilities.

I. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

ARTICLE III

ASSOCIATION MEMBERSHIP

The record owner of equitable title (or legal title if equitable title has merged) or lessee of a parcel of real property comprised in the SUNBURST FARMS' project shall automatically, upon becoming the owner or lessee of the property heretofore described, be a member of the Association, and shall remain a member of the Association until such time as his ownership or leasehold interest ceases for any reason, at which time his membership in said Association shall automatically cease. Ownership or lease of a parcel shall be the sole qualification and criteria for membership. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation.

A membership in the Association shall not be transferred, pledged or alienated in any way. Upon the sale, lease or other transfer of a parcel, the owner's or lessee's membership in the Association shall automatically be cancelled and new membership certificates shall be issued to subsequent owners or lessees pursuant to the Articles and By-Laws of the Association. Any attempt to make a prohibited transfer is void and will not be reflected upon the books and records of the Association.

The record owner of equitable title (or legal title if equitable title has merged) of each unit shall be entitled to one membership in the Association, for himself and his family residing in the unit, which membership, shall be subject to all of the provisions of the Association's Articles of Incorporation, By-Laws, Resolutions, and these Restrictions, as now in effect or duly adopted and amended.

Membership in this Association is for the purpose of supplying irrigation water and agricultural tillage service to its members at the most economical rates. Membership further is for the purpose of each member maintaining his property in such a manner as to not depreciate the value of the overall project. Therefore, each member agrees to be bound by the Articles and By-laws of the corporation and acknowledges that the Board of Directors may fix such rates for the delivery of irrigation water and such rates for the tillage of the project lands as to properly maintain this service. In the event any member fails or refuses to maintain his property used in conjunction with the transportation and delivery of irrigation water, to the standard as required by the Board of Directors of this Association, then the Board may have the absolute right to improve the member's property used in conjunction with the transportation and delivery of irrigation water, in such a way as to maintain the Association's standards. The cost of such improvements shall be charged on the regular rates against such member.

No member may exempt himself from liability or charges fixed by the Board of Directors for the delivery of irrigation water or for charges for the tillage of the project lands or for other charges in connection therewith which the Board of Directors may fix by his waiver of the use or enjoyment of irrigation or other service or services provided by the Association or by the member's abandonment of his unit.

Each member further agrees that the above-mentioned charges, if not paid within the time fixed for payment by the Board of Directors, shall be delinquent and shall become a lien upon said member's lot and shall continue to be such lien until fully paid. Said charges shall bear interest from the date of delinquency at the rate of five per cent (5%) per annum. The lien referred to in this Article III shall be subordinate to the lien of any first mortgagee. The amount of principal and interest owed by each member to the Association shall be a debt, and shall be collectible by any lawful procedure allowed by the laws of the State of Arizona.

Each member, by his acceptance of a deed to a lot, or by his lease of a lot, hereby expressly vests in the Association or its agents, the right and power to bring all actions against such member for the collection of such charges and to enforce the aforesaid lien by all methods available for the enforcement of such liens and such member hereby expressly grants to the Association the power of sale in connection with said lien.

In the event the Association employs an attorney or attorneys to enforce said lien or the collection of any amounts due pursuant to this article the member, members, and parties against whom the action is brought shall pay all attorneys' fees and costs thereby incurred by the Association in the event the Association prevails in any such action.

ARTICLE IV

MISCELLANEOUS

Section 1. Deeds of conveyance for said property, or any portion thereof, may contain the above covenants, conditions, stipulations and restrictions by reference to this document, but whether or not such reference is made in such deeds, each and all of these covenants, conditions, stipulations and restrictions shall be binding upon the respective grantees.

Section 2. Notwithstanding any provisions herein contained to the contrary, it shall be expressly permissible for the major builder and developer of the "properties" to maintain during the period of construction and sale of said "premises", upon such portion of the premises as such builder may choose, such facilities as in the sole opinion of said builder may be reasonably required, convenient or incidental to the construction and sale of said premises, including, but without limitation, a business office, storage area, construction yards, signs, model units and sales office.

Section 3. The foregoing restrictions and covenants run with the land and shall be binding upon all parties and all persons claiming under them until January 1, 1998, unless otherwise amended or revoked by vote of a majority of the then owners of lots in SUNBURST FARMS SEVEN and re-subdivisions thereof. Subsequent to January 1, 1998, these covenants and restrictions then in effect shall automatically be extended for successive periods of ten (10) years each, unless by vote of the majority of the then owners of lots in SUNBURST FARMS SEVEN and re-subdivisions thereof it is agreed to change the said covenants and restrictions in whole or in part.

Section 4. If there shall be a violation or threatened or attempted violation of any of said covenants, conditions, stipulations or restrictions, it shall be lawful for the Association or any person or persons owning real property situated in SUNBURST FARMS SEVEN and re-subdivisions thereof to prosecute proceedings at law or in equity against all persons violating or attempting to violate or threatening to violate any such restrictions, covenants, conditions or stipulations and such violators shall reimburse the Association or any person or persons owning real property situated in SUNBURST FARMS SEVEN and re-subdivisions thereof for attorneys fees and expenses incurred in prosecution of such proceedings. However, a violation of these restrictive covenants, or any one or more of them, shall not effect the lien of any mortgage now on record, or which may hereafter be placed of record upon said lots or any part thereof.

Section 5. Invalidation of any one or more of these covenants, conditions, restrictions and stipulations shall in no wise affect any of the other provisions which shall remain in full force and effect.

Section 6. Notwithstanding any provisions herein contained to the contrary, if the owner of Lot One Hundred Sixty (160) or any part thereof in Sunburst Farms Seven be a corporation organized and authorized as a water company in compliance with the laws of the State of Arizona, and if said corporation be in good standing with the Arizona Corporation Commission, it shall be permissible for said corporation to cause a well site to be constructed on said lot, or any part thereof, together with all construction necessary or incidental to the operation and maintenance of said well site for the purpose of supplying water for domestic use, provided that said well site be properly maintained by said corporation and provided that all construction be performed by a competent contractor duly licensed pursuant to the laws of the State of Arizona.
